CONFERENCES + MEETINGS

CREATIVE SPACES.
WE ORGANISE MEETINGS.

KÖNIG + NEURATH

Get geared up for a new meeting culture – we'll get you ready!

The workplace is changing. A conference room used to be a static place with a representative character. Nowadays people congregate here to develop creative solutions. Communication, interaction, dynamics, atmosphere – a well-designed room can provide a platform for all those things. We can help. With functional and attractive solutions to meet the most diverse needs.

Prepare to be inspired!

AN ELEGANT ENVIRONMENT FOR HIGH-PROFILE CONFERENCES

Stylish furniture that offers maximum comfort.
You can create an appropriate backdrop for important meetings with **TABLE.T** conference and our hand-crafted **AURAY** conference chairs. Distinctive design, quality materials and a luxurious feel – for people who value the special things in life.

Products:
TABLE.T conference table, AURAY high back conference chair, NET.WORK.PLACE lounge chair

Products:
TABLE.T conference table,
AURAY low back conference chair,
ACTA.MODUL storage

CHANGE YOUR PERSPECTIVE
EVERY NOW AND THEN

Convenience and mobility? It need not be a contradiction: adjust the height of the premium **TABLE.T** conference table with a single touch. This allows you to sit very comfortably with plenty of leg room – and you can switch to a standing position whenever you need a new perspective.

Height-adjustable table
An innovative touch function is integrated into the table top so that any meeting delegate can adjust the height conveniently. All they have to do is touch the profile from underneath.

BROAD HORIZONS
CREATE SPACE FOR GROWTH

Rethink the office! Thanks to the **HORIZONTE** room-in-room solution, you can create retreat areas for private meetings and undisturbed work without the need for disruptive structural changes. Use our classic, **TALO.S** conference, to furnish your newly created spaces elegantly and flexibly.

Products:
TALO.S conference table, OKAY.II visitor chairs, ACTA.PLUS storage, ACTA.PLUS Mobile, HORIZONTE partitions

SITTING? STANDING?
IDEAS NEED MOTION!

Efficient meetings really call for agile furniture.
TALO.S looks just as good whether you use it as a height-adjustable conference table or an individual workstation.
It can be combined with state-of-the-art media technology,
and if you use it with the **QUICK.II** sit/stand support,
it keeps you active physically and mentally all the time.

Products:
TALO.S conference table, QUICK.II standing support, ACTA.MODUL storage, INSIDE.CUBE, NET.WORK.PLACE lounge chair

A CLASSIC CONFERENCE
OR PERHAPS A COSY BRAINSTORMING SESSION

Create a space in which ideas can move around freely. **LIFE.S** is attractively designed to create fluid transitions between classic conference scenarios and spontaneous meetings. perfect for relaxed brainstorming: the modular lounge system **NET.WORK.PLACE Organic.**

Products:
LIFE.S conference table, OKAY.II visitor chairs, NET.WORK.PLACE Organic elements

Products:
LIFE.S conference table and individual workstation, JET.II task chair and visitor chairs, ACTA.FERRO SYS storage

THE GOAL:
A PLEASANT WORKING ENVIRONMENT

Office and meeting islands: a uniform design means a consistent look across a variety of office situations. With **LIFE.S** conference tables and **JET.II** cantilever chairs, you can furnish offices tastefully yet comfortably for different functions. **LIFE.S** comes across as clean and inviting in its organic form. Its four-leg frame provides plenty of legroom and space to move around.

THIS IS WHERE FUTURE STRATEGIES COME TO LIFE

Great ideas are born where clever brains come together and you can provide the right conditions: create a setting with a touch of prestige with a large table like **PLENUM.K** in an elegant boat-shaped design, which offers maximum leg room thanks to the cross beam, and the attractive **AGENDA.II** conference chairs.

Stylish electrics
The trim is an intelligent way of concealing the cables.

Products:
PLENUM.K, AGENDA.II conference chair, NET.WORK.PLACE elements

DEFINE THE FUTURE
OF WORK YOURSELF

An inspiring workplace boosts performance and motivation. So **PLENUM.K** offers flexible solutions that can be customised to suit a variety of requirements: mobile, extendable and stacking tables and dynamic seating are ready to use right where they are needed.

Products:
PLENUM.K nesting table, NET.WORK.PLACE stool, ACTA.CLASSIC lockers

COOPERATION
AT ITS MOST BEAUTIFUL

Products:
SUMMA conference table, CHARTA conference chair, ACTA.PLUS Mobile

If you can relax, you can be in touch with your own potential. **SUMMA** extends an invitation to visitors and colleagues to sit down at a conference table that's generously-sized and mobile. The **CHARTA** conference chairs, which are also mobile, ensure a relaxed position – perfect for inspiring yourself and others!

ADVANCED THINKING
ADVANCED LEARNING
KNOWLEDGE SHARING

Be dynamic and inspired! Interaction fosters creativity, you see. Our solution, which is perfect for any type of training session or presentation, is **MOVE.ME**. The programme is designed to be agile, ideal for temporary uses and suitable for any situation in the workplace.

Products:
MOVE.ME table and chairs

Your flexible project team:
the tables and chairs in the MOVE.ME range have lightweight wire frames. The tables will fold, stack and extend, while the chairs can be stacked to save space.

THE MOST UNDERRATED ROOM
THE KITCHEN!

All kinds of subjects come up in the coffee corner. So it's a good idea to set up informal meeting areas to appear positive and inviting – to allow scope for spontaneous discussion. **TABLE.H** is great for quick chats on the go – and you can always perch on the **MOVE.MIX** bar stools if you need to stay a little longer.

Products:
TABLE.H meeting table, MOVE.MIX bar stools, INSIDE.50 screen, HORIZONTE partitions

Ingenious cable management
The main power supply is concealed inside a fabric cable sleeve.

BRING SEMINARS TO LIFE

If you know more, you can move more. You can furnish seminar rooms flexibly with **MEM0.S** stacking tables. **MEM0.S** is not only linkable, it also has a fold-away leg frame to save space in storage. Pair this with the **JET.II** stacking chairs on castors for the perfect training team.

Products:
MEM0.S meeting table, JET.II on castors, NET.WORK.PLACE stool

Equipped for any training scenario: tables are linked together with top connectors – no need for tools.

“The first step towards a
better work culture is the choice
of the correct furniture”
